# DR. MCLARTY — PRESIDENT-ELECT OF THE NORTH CAROLINA ASSOCIATION OF JUNIOR COLLEGES

President and Mrs. McLarty are a welcome addition to all activities on campus.

The outstanding personality of Dr. Emmett Kennedy McLarty, Jr., President of Brevard College, is an inspiration to each individual. He has many responsibilities and yet he is never too busy to listen to a student's problems. He strives to represent Brevard College well in every aspect. Dr. McLarty is truly a man of distinction — an example to follow.

Dr. McLarty enjoys stopping to chat with students in spite of his busy schedule.

A part of the tradition of Brevard College — Dr. McLarty's chalk talk.

MR. LAWING: As both Dean of Men and Financial Aid Director Mr. Lawing faces many serious problems daily.

MR. ROBERTS: Mr. Roberts finds that as Dean of Students he must communicate with each individual.

MR. ROY: In addition to teaching Religion, Mr. Roy also serves as Chaplain.

MRS. CORT: Joining the staff as Dean of Women was Mrs. Cort.

MR. HARDIN: Various types of financial problems face Mr. Hardin, the new Business Manager.

MR. CORT: A former student, Mr. Cort, has returned as Director of Admissions.

MR. BOWLES: "A man with a plan" for the future of Brevard College — Public Relations Director, Mr. Bowles.

Dr. Harris is active in community as well as college affairs.

# GREATER RAPPORT ACHIEVED IN STUDENT-DEAN CONTACTS

Freshman Sherry Baldwin and her father, a Brevard alumnus, are welcomed.

"May I drop English since I'm flunking it?" "How many hours and q. p.'s do I need?" "Must I take **all** the required courses in order to graduate?" Such are the questions which are frequently asked in the office of Dr. J. Braxton Harris, Dean of the College. From him students learned their scholastic requirements and secured permission to take additional credit hours. He was well acquainted with each department of study and its particular needs. Dean Harris wrote several thought-provoking editorials for the college newspaper and spoke at various assemblies. This capable Dean often gave personal counsel to students and aided them in making decisions, including transfers to senior institutions.

A test perhaps?

## STUDENTS SEEK ANSWERS TO MAN'S ETERNAL QUESTIONS

Art students receive much individual help from Mr. Murray.

The story of Brevard College is closely woven with the growth of the physical plant. This year, students were greeted at the fall term with a spacious new library. The book collection of 25,000 volumes is growing at a rapid rate. A conference room, rooms for microfilm readers, and a listening table with a collection of records in music and literature, as well as a zerox machine are some of the features that help to make the library a great asset.

Presently under construction is a new cafeteria to be in use at the beginning of the 1968-69 session. A new college store and lounge are planned as part of the enlarged student center complex.

Brevard College had an enrollment of 645 full-time students — the largest in its history. Many new faculty members were added as Brevard expanded its educational program. Each student was given an opportunity to develop his talents to the fullest. The close teacher-student relationship is one of the most important assets. This, more than any other characteristic, attracts students to Brevard College.

**Mr. Wilson, history instructor, is never too busy to stop and speak with a student.**

## INTERNATIONAL FLAVOR ADDED TO FACULTY

Dr. Chorinjeth Rajagopalan, biology instructor, and Miss Nancy Ting, instructor in calculus and differentials, add an international flavor to a tremendous faculty. Miss Ting, a 1963 graduate of Brevard and a native of Sarawak, earned her A.B. at the University of North Carolina in Chapel Hill and her master's degree at the University of Alberta in Canada. Dr. Raj, as he is known, holds his B.S. and M.S. degrees from the University of Saugon in his native India. He received his Ph.D. from the University of Kansas.

**Miss Ting appeared amused at the answer to that question.**

## GOAL OF ASSOCIATE MEMBERSHIP IN NASM ATTAINED

Private instruction — a necessity for every music major, yet quite unrewarding without many hours of practice.

Being elected as one of the few junior college associate members of the National Association of Schools of Music was the highlight of the year for the Music Department. Mr. Adams accepted the membership plaque at the annual meeting in Chicago in November. NASM is designed by the National Commission on Accreditation as the responsible agency for the accreditation of all music degree curricula, and its deliberations play an important part in music education trends in the country.

A Contemporary Festival was sponsored by the Music Department in the fall. Among many features was the presentation of a lecture-demonstration of the Strobe conn by Dr. Railsback of the Physics Department. He was instrumental in developing the device for calibrating sound frequency. Mr. Vladimir Ussachevsky, Chairman of the Committee of Direction of the Columbia-Princeton Electronic Music Center in New York, presented a lecture-recital on the use of electronic music.

## ECOLOGY IN A CARIBBEAN LOCALE

Sea Stars, Sea Anemones, Sea Cucumbers, Wranglia, Turtle Grass, Sponges, Pistol Shrimp, Brain Coral.

Hopetown, Abaco, Bahamas was the setting. Here, a pilot group of ten Brevard College Marine Ecology students, directed by Mrs. Doris Potts, spent three weeks of their Christmas vacation in discovery and understanding of the relationship to one another and to their environment of marine flora and fauna. The beauty of the bay and its surrounding waters made it an invigorating study. Observing by snorkeling, diving for specimens, identifying the collected specimens and unusual lab exams gave the students a unique sense of accomplishment.

For the ten students, it was an unforgettable Bahamian Christmas filled with beauty, discovery and new experiences. Their hope is that other Brevard students, who wish to learn of Marine life in its natural habitat, will have the opportunity to do so through this exciting new program.

Could it be part of a pirate treasure?

"Hand me that net. I'll give that shark a run for his money!"

# CLASSES

CLASS OFFICERS: Wayne Morton, president; Dan Clayton Johnson, vice-president; Beth Miller, secretary; and Hazel Chapman, SGA representative, directs the class functions of the freshmen.

## A NEW YEAR . . . NEW RESPONSIBILITIES . . .

The largest class in the history of Brevard College arrived just a few days after the faculty-student workshop had begun. Students were warmly received by the Big Sisters and other student leaders who could share vicariously the experience of being a freshman, perhaps away from home for the first time. No sooner had the students started unpacking and meeting their roommates than the frantic pace of orientation week began with Dr. McLarty's annual speech to the incoming freshmen.

Then came tests, tests, and more tests, interspersed with meetings. Yet, finally the sophomores arrived and the freshmen could relax and become acquainted with college life. Relax? Well, if registration is relaxation. For the freshmen, registration was enough to depress the strongest souls. Still, they suffered through the ordeal, and prepared for the trying first semester of college when every freshman must take a closer look at himself.

For some, adjustment to the academic pressure was perhaps the most frustrating aspect of college life. For others, the challenge of being on their own and making their own decisions presented the greatest difficulty. Whatever the situation, undoubtedly every freshman had adjustments to make, for college represents the break between adolescence and adulthood. Though they were still "green" and inexperienced they were forced to examine themselves and mature inwardly. This was the acceptance of responsibility and the acquisition of self-discipline. The majority managed to "stick it out" and soon became involved in campus life. Participation in social life and organizations gave them a new perspective. And then came Pledge Day, a time when freshmen proved they could "take it" and deserved to be a part of the group. Thus freshmen and sophomores became integrated as time progressed. After final exams and Christmas vacation, college once again became home. The freshmen were no longer "green"; they had learned much and would learn even more as they prepared to become next year's leaders.

I've heard of reaching for your goal, but this is ridiculous!

The President's Reception welcomed the 1967 Freshmen in a sincere, pleasing manner.

## A TIME TO TAKE A CLOSER LOOK AT YOURSELF.

"But it's precision I'm after, and I think you can give it to me, Doug."

Larry and Mary realize a proper perspective includes a sound knowledge of the past as well as an awareness of the possibilities of the future.

## LIFE IS VIEWED IN A NEW PERSPECTIVE.

Dan, you might as well let Bonnie have that cookie—that is, if you want to dance any more!

Watch your step, Judy.

## SOPHOMORES MIX SERIOUSNESS WITH A

Returning in late August to accept the responsibilities and challenges of leadership, the sophomores soon began to enjoy the process of indoctrinating freshmen into the hustle and bustle of college life. Big Sisters welcomed their Little Sisters in an attempt to aid them in their adjustment to college life, while other students assisted the faculty and administration in preparing for the arrival of 645 students, the school's largest enrollment to date.

With the return of the sophomores came the anticipation of a great year combined with a reluctance to "hit the books." Sophomores viewed college life much differently than they had just a short year ago. They were better adjusted and knew their requirements as young adults. Yet, even they were caught in the frenzied pace of academics as graduation lay in the near future.

However, in the spare moments not occupied by academic worries, they did find time to engage in social activities. The advent of Homecoming, Pledge Day, and arrival of the basketball season provided an opportunity for social relationships. Salvaged from final fatigue by the unbelievable end of exams and the coming of Christmas vacation, the sophomores scattered across the country for a month's well-earned rest.

Then came that decisive semester — the fourth! The perspective of these students changed as they began to contemplate seriously the possibility — or impossibility — of graduation in the spring. Academics assumed greater value as sophomores watched their careers at Brevard drawing to a close. The unity of a class dissolves as the sophomore becomes a graduate, and departs to continue his education and to seek his purpose in life. The sophomore no longer has that coy smile of assurance on his face; yet, he must simply grit his teeth and step forward into the future.

It's the last donut in the world and Cathy Wayant has it! !

"Look Teena," says George, "there's some one with a dress shorter than yours."

## PINCH OF PEP FOR A GREAT YEAR

Don't look so puzzled, Dave. Maybe they're both yours.

Kris and JoAnn know that students can't take all things at surface value.

## A TIME FOR EVERYTHING

## SGA GOVERNS STUDENT LIFE

SGA dues must be paid!

Student Government Association, whose membership consisted of class and organizational representatives, co-ordinated student activities. Responsibilities included checking chapel seats and helping to register student cars on campus. A legislative accomplishment was the removal of double cuts at Thanksgiving. They continued the Save-A-Child program for a Korean orphan and sponsored several social activities, including the Appalachian Folk Festival. In addition, they served as the judiciary board for discipline.

"The Old Man of the Mountains" impressively demonstrated his talent.

## BEAM HALL BECOMES COEDUCATIONAL

Constructed for coeducational use but opened only to women students in the fall of 1966, Beam Hall finally began to utilize its facilities to house both men and women students in the fall of 1967.

West Beam House Council, representing the women's wing, continued to function both as a judicial and as a social organization. Besides serving to determine the policy governing the social and living regulations of women students, West Beam House Council also sponsored an open house at homecoming and a Christmas party for Mama Brown's 103 daughters.

Members of West Beam House Council include: SEATED: Bonnie Brewbaker, Kay Welsh, Minnie Lloyd, Jackie Lawing; Cathy Wayant, President; Scarlett Estridge; Mrs. Brown, Adviser; Helen Wright, Debbie Cortner. STANDING: Janis Moore, Kathy Van Netta Patti Page; Dean Cort, Faculty Adviser; Lynn Hurley, Gale Rudisill.

**Students, faculty and members of the administration enjoyed Open House at Beam Hall.**

**A favorite number of Beam Hall — the phone, please!**

## JONES PURCHASES STEREO FOR CHRISTMAS

Organized primarily as a self-governing body to maintain discipline in the dorm, Jones House Council also functioned in other capacities. As a major project, Jones' members were energetic in redecorating the parlor. They bought artificial plants and reupholstered the couch. In addition, Jones helped to sponsor dances and several open houses. The house council found funds with which to purchase a drinking fountain as well as a beautiful stereo. Jones boasted about outstanding Christmas decorations and a generally successful year.

**"Rip 'em up, tear 'em up!"**

**Apparently Mrs. Young likes the stereo on a quieter setting.**

Members of Jones House Council include: SEATED: Pat McCorkle, Helen Lewis; Jeannie Selleck, President; Mrs. Young, adviser; Peggy Mizell. STANDING: Grace Chapman, Lynn Horry, Teresa Lax, Penny Reitzel, Terry Sherrill, Sue Pilarski, Dean Cort, Mary Jo Bonnette, Page Kelley, Pam Shorey, Bunny Beshears and Dorothy Bangs.

## MEN'S DECORATING RECEIVES PRIZE

Men's House councils served as the judiciary board for cases not serious enough to be brought before SGA. Taylor Hall held open house at Christmas although the search for Mrs. Norris's potted plant continued. David Mullis, Dave Cooke, and Dennis Carrick served well as presidents of Taylor, Green, and East Beam, respectively. During open house, sponsored by both East and West Beam, Nathaneal Zumstein's crow was undetected by Mrs. Brackett. In addition to winning the homecoming decoration prize, Green men celebrated Mrs. Walker's birthday and gave her a set of silver. Green's basement won the football title, and the third floor was the home of Radio Free Brevard. During the Christmas season, they gave their basement furniture to a needy family.

**Beam boys roughed it up in a game of football.**

**Taylor men are up and at 'em.**

**Green's prize-winning project.**

Members of Men's House Council are SEATED: Wally Smith, Dennis Drum, David Mullis, Dave Cooke, Dennis Carrick, Bernie Badiali, Dennis Beasley. STANDING: George Patterson, Richard Marvin, Danny Denton, Phil Harris, Tom McAuley, Milton Harkey, Jay Barrowclough, Rodney Binkley, Dan Johnson, Bill Hyland, Paul Hendrix, Mike Fagan, Bob Gray, Ronnie Miller, Ken Armstrong, Richard Marlowe, Malcolm Carsten, Bob Baggett.

## EUTERPS — OH, YEA!

Promoting social activites and building better character are two major goals of Euterp. Led by Holly Williams, they treated their pledges to a picnic at Camp Straus and old and new members became better acquainted as they roasted hot dogs and marshamallows. Initiations, mud and all, were carried out in the traditional style. At the first pep rally of the basketball season, the Euterps "Oh-yea"d their way down the aisle, and after reaching the stage, led the student body in their cheers. Working with the Clios, they presented a beautiful Christmas dance, having put many hours into planning and decorating for their theme, "The Forest."

**Decorating for the Christmas Dance was a major Euterp project.**

**"Here's mud in your eye."**

## CLIOS AID EUTERPS WITH CHRISTMAS DANCE.

The Clios functioned in their usual capacity as a promotor of good campus spirit and a sense of brotherhood among the members. Under the leadership of their dynamic president, Mike Fagan, they were active in such phases of college life as hayrides, bonfires, and "unforgettable" initiation day. The cleaning of desks in the classroom building and the crusading for a clean campus were notable service projects. They boasted a successful Christmas dance featuring "The Fluid Ounces."

**"Hey Mike, hand me the pliers."**

. . . is the purpose of the Mnemosynean Society. Under the competent leadership of its president, Brenda Wyke, the Nemos sponsored several dances in the Student Union, gave a tea, and held a slumber party. They also helped to promote school spirit with a bonfire for the Gardner-Webb game, in addition to sponsoring the initiation dance and Valentine Sweetheart Dance.

**"Knock it off or I'll swat you with my baton."**

## DELPHIANS SPONSOR VALENTINE DANCE

All right, gang, Andy will lead us in our song.

Delphians played a major role as a vital part of Brevard's social backbone. Under the enthusiastic guidance of president Fred Neeson, they enjoyed a successful initiation day and emerged as victors of the field day event. During basketball season they hosted several bonfires before and open houses after the games. One of their best projects came at Christmas when they donated the furniture from Green Basement to a needy family. The year's highlight was the Valentine Sweetheart Ball.

O.K., Delphians, start your train.

## MARSHALS RECOGNIZED FOR SCHOLASTIC ACHIEVEMENT

Six students gained the honor of being 1967-1968 marshals in recognition of their outstanding academic achievements. These individuals served the college as ushers at the 1967 spring graduation procedures. Their activities extended further into the 1967-1968 school terms. Representing the institution at convocation, lyceum, and other special occasions, these students served capably while continuing to achieve fine scholastic goals.

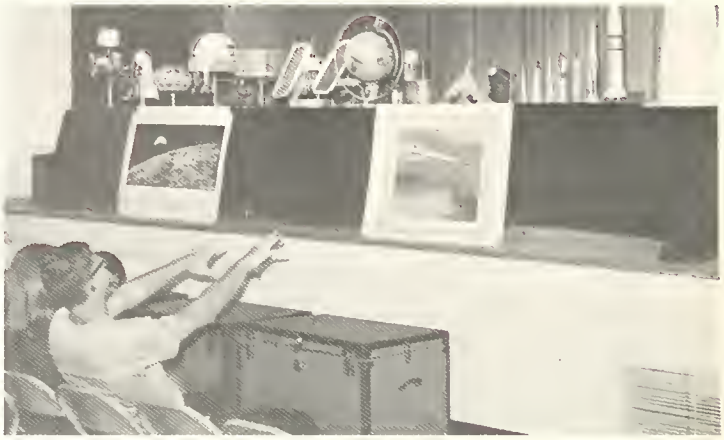
"I do solemnly swear that I will never make less than a 'B'".

Happiness is a successful book sale.

One of the most outstanding groups on campus was Phi Theta Kappa. Its purpose was to promote scholarship, to develop character, and to cultivate fellowship among the students of both sexes at this junior college. To be a member, one must have a "B" average, be in the top ten percent of the class, and be approved by the faculty. This year PTK had a closeout book sale, and they compiled a student directory which was completed just in time for Christmas. At a coke party given for midterm honor roll and Dean's List students, Mr. Tauscher showed slides of past years at B.C. New members were inducted in the spring during a special assembly.

# ABG BRINGS SPACEMOBILE TO BREVARD'S CAMPUS

Chosen on the basis of scholarship and leadership, Alpha Beta Gamma members sponsored a spacemobile lecture and demonstration in the fall. Induction of new members in February was followed by initiation. In addition, they toured local industries as well as making a trip to the Oak Ridge laboratories. The science career program, held as a buffet supper, included representatives from various scientific fields, who discussed with students the aspects of their professions.



"Poof!"

A proud moment for Jackie — selection for ABG membership.

## BIG SISTERS AID "WANDERING" FRESHMEN

**More orientation details were discussed by Dean Cort and Deb Robinson.**

**Scarlett Estridge alphabetized registration forms.**

Big Sisters arrived a week early to prepare a hearty reception for incoming freshmen women students. They assisted the faculty and freshmen with the trying tasks of orientation and registration. The Big Sisters, who could share vicariously the experience of being "green" freshmen, helped the freshmen women to get settled in their rooms and acquainted them with the rules and regulations of college life. They continued to function throughout the school year as aids to freshmen and they also originated service and money-raising projects.

## SPANISH-AMERICAN CLUB CELEBRATES CHRISTMAS SPANISH STYLE

To introduce Spanish culture is the primary aim of the Spanish-American Club, and this was accomplished in various programs. Mr. Murray showed slides of and directed a discussion on Spanish Art. The members enjoyed the Walt Disney movie "Saludos Amigos." They presented a play "The Night Before Christmas", followed by a Christmas party, as well as having a Pan-American Day and a fiesta.

## DAY STUDENTS REACH ALL-TIME-HIGH ENROLLMENT

More Day Students than ever roamed the B.C. campus this year. Because of the misplacement of the bridge tables, card games no longer played a major part in the daily life of these "townies". In an effort to win the homecoming prize, they toiled over their white tornado until late in the night. Although it didn't win, they were pleased with the fine effort. A new coke machine in the student center added to the treasury of the Day Students' Club. Both a party in the second semester and the annual picnic in the spring provided entertainment and fellowship for all.

## SNEA SPONSORS SUCCESSFUL TUTORING PROGRAM

One of the most vital campus organizations to the community, the Student National Education Association opened its year with a speech on the Education Association by Mrs. Hilda Olsen, Supervisor of Teacher Instruction for Transylvania County. The club adopted a tutoring program as its principal project for the year. Services were offered by both members and non-members to children at Brevard's elementary schools. The areas of emphasis were math, reading, and spelling as each tutor spent at least two hours per week with a child who needed help. Besides serving the community by promoting good relations between the college and the city of Brevard, SNEA aided students in learning more about their chosen profession, teaching.

Serving to bridge the gap between the classroom and the business world, the Business Club welcomed guest speakers monthly to inform them about different aspects of careers in business. Under the competent guidance of Mrs. Grace Munro, the club held various teas and sponsored a Christmas dinner. Composed of students taking business courses or majoring in business, the organization held several panel discussions on such subjects as may be encountered while on the job. In the spring, their talent show highlighted a successful year.

# CHRISTIAN COUNCIL SPONSORS CHRISTMAS TREE LIGHTING

Christian Council, composed of the presidents of the various denominational groups on campus, sponsored some of the most important events of the year. The Thanksgiving banquet was a tremendous success. Then came the lighting of the Christmas tree, a tradition at Brevard College. Finally, Christian Council culminated its activities with a meaningful Religious Emphasis Week and the traditional sunrise service at Camp Greenville.

**The Christmas tree lighting made the season more meaningful.**

"Well, it's like this . . ."

A thought-provoking statement is made by Mr. Finlator.

## "TELL IT AS IT IS"

Sponsored by Christian Council, the Plyler Religious Emphasis Week featured the Reverend W. W. Finlator, pastor of Pullen Memorial Baptist Church in Raleigh, as guest preacher. Mr. Finlator spoke on the theme "Saints Without a Halo," emphasizing the church's mission in relation to contemporary world politics. The week began on the night of March 3 with a service in Dunham Auditorium where Mr. Finlator addressed the entire student body. Daily services were held, culminating in Holy Communion. The minister was also available for personal counsultation and met informally for discussion with students in the dormitories. Leaders of the various student organizations combined efforts to promote the week's activities.

# CASA MATERNA . . . OUR CALL

Kappa Chi is a religious fraternity for all students who anticipate entering any field of full-time church work. The name, "Kappa Chi" comes from the Greek, "Kerukes Christon," and means "preachers of Christ." After a retreat to Lake Junaluska, the fraternity presented a program, "Wait a Minute, Reverend" to a group in Asheville. Supper and business meetings bound the group closer. At a special meeting, they saw Mr. Roy's slides of the Holy Land. For Christmas, they carried a food basket to a needy family. Mr. and Mrs. Roy were hosts for a special Christmas dinner. "Have a Moravian cookie?" A retreat in the spring was a highlight. Their main project was Casa Materna, a children's home in Italy.

**Kappa Chi members enjoyed the fall retreat at Lake Junaluska and a stop along the Blue Ridge Parkway en route.**

## MSM PROVIDES CHRISTIAN FELLOWSHIP

Providing the student with the warmth of Christian fellowship and promoting the Christian faith, Methodist Student Movement furnished the answer to many questions through informative weekly programs. Guest speakers, discussions, and debates yielded much meaning to the individuals participating. MSM also helped with the Thanksgiving banquet and sold **motive** magazine. In the spring the group attended the regional conference at Lake Junaluska. They visited a rest home in Asheville once a month.

## ANGLO-CATS ENTERTAINED BY RAJAGOPALANS

The Anglo-Cats, composed of Canterbury and Newman clubs, have been active under the leadership of Mrs. Walker, adviser. Not only have they sponsored dances, but also they have provided unique entertainment through several Zen Dens. One, of the "Hippie" theme, for which admission was a flower and a dime, was accented by lights from the "heavens" and candles on the tables. Participants carried out the theme in weird dress. The native dishes prepared by Mrs. Rajagopalan climaxed one of the weekly Sunday evening meetings. The combined efforts of the Anglo-Cats and Kappa Chi made Christmas more joyous for a needy family.

## BSU SPONSORS "MISS UNIVERSE" CONTEST

The Brevard College BSU, advised by Miss Virginia Tillotson, began its year of activities with a picnic at Camp Straus. Membership, open to any student, but especially Baptist, increased over that of last year. In addition to discussion and business meetings, they also had several guest speakers. Among them were Rev. Bill Penley, Mr. Quentin Perault, and a missionary to Africa. Attending the fall convention in Raleigh was a wonderful experience. The theme, "Unto the Least of These," and a report from the '67 **LISTEN** team inspired more generous giving for the '68 **LISTEN** projects. "LISTEN" stands for "Love Impels Sacrifice Toward Every Need." The funds raised are used to support mission work among under privileged children. To raise more money for **LISTEN,** the BUS planned a "Miss Universe" contest, a first on B.C.'s campus. The fun side of BSU included a hayride and outings at Cantrell's farm.

SEATED: Mrs. Munro, Adviser; Margy Deavours; Jeannie Selleck, President; Kathy Hedrick, Judy Shorter. STANDING: Dorothy Bangs, Luanne Hubner, Pat Glass.

## WESTMINSTER CONTINUES TO SERVE CHILDREN'S HOME

The Westminster fellowship, composed of Presbyterian college students, continued to emphasize its purpose of Christian fellowship and growth. Mrs. Thomas Munro, adviser, led weekly discussions. Preceding the vacation period, a Christmas dinner was held by the club. Reverend Dan McCall spoke at chapel as a result of Wesminster's effort. The club's largest project reached its realization of Valentine's Day with a party for the children at the Presbyterian Home for Children in Black Mountain.

## TO INFORM AND CO-ORDINATE . . .

Interclub Council emerged during the first semester as the newest organization on campus. Under the direction of Miss Joan Moser and Miss Virginia Tillotson, the Concert Band performed at various campus activities. A full concert was presented during the Contemporary Music Festival. ## MASQUERS CONVERT BARN INTO THEATER

Organized for those interested in drama, the Brevard College Masquers, under the able leadership of Miss Jackie Taylor, functioned as an active group on campus. Serving as an organization to promote communication and understanding through the arts, this club ingeniously converted the barn, previously used by the music department, into a new and unique type of theater. On Thanksgiving night, "open barn" was held, followed by the production of a one-act play and several skits. Spring witnessed the production of various other skits and a musical.

## HASTE YE BACK TO THE HIGHLANDS

The Mountaineers, one of the most informal and fun-loving groups on campus, blazed new trails through the highlands around Brevard. A successful year seemed to be a probability as some sixty members attended the first meeting. Sponsored by Mr. Fisher, the group hiked in Pisgah National Forest. Just before Thanksgiving the group went to the Pink Beds and struggled to reach the summit of several other mountains in the vicinity. Roughing it was a pastime of the Mountaineers as they were inspired by folk songs and a sense of fellowship. Hikes furnished a change of scenery from the anxiety and tensions of college life.

## CLARION PUBLISHES WEEKLY

Reporting the daily activities at school, the **Clarion** gave a meaning and purpose to the concept of journalism. Also, it provided the opportunity for students to see themselves in their activities. The **Clarion** provided this opportunity through varied editorials, features, news stories, pictures, and art designs. The paper gave the students informative news, the latest gossip, up-to-date coverage of club activities, and subjects for contemplation. The staff was rewarded by both praise and criticism; however, it can look back on the students' acknowledgement of a job well done and greatly appreciated.

## SOCCER TEAM PROVES STRONG CONTENDER

Paving the way for a successful sports year was Coach Gerhard Tauscher's soccer team. Compiling an outstanding record of 6 wins, 4 losses, and 2 ties, the team made history with the best season ever. Led by the stout and swift sophomore lettermen, the team suffered only one major defeat, that being at the hands of Warren-Wilson. The big guns for the Tornadoes were Malcolm Carsten, Randy Ward, David Mullis, Greg Nelson, Bernie Badiali and a truly tremendous goalie named Bob Johns. Steve Hall, Bob Githens, Ted Harvey, Sam Robinson and freshmen Andy Smith and Jim McCombs added depth to the team. With returning freshmen Dave Krause, Jack Crowder, Jim Jenkins, Smith, McCombs and powerful goalie Paul Nipper, the future of soccer at Brevard is very bright.

10-0—Regular Season

Brevard College Harriers finished a phenomenal season with a conference championship, and narrowly missed National Junior College Championship at Farmingdale, New York by one point. Pushed by Coach Tad Talley, the team completed the regular season with a perfect 10-0 record. The biggest win of the season came with a 19-38 victory over Tennessee Frosh.

Leading the pack out of the hills all season were freshman sensation Bob Gray and Sophomore Dave Fussell. Bob and Dave set new course records each time and were undefeated all season, even at the national meet. Both broke the national record of 15:37 and were named All-American. Bob's time of 15:26.4 set a new national record.

Without depth, however, they would have gone nowhere in this bid for the national championship. Always behind Gray and Fussell were sophomores Ned Jones and freshman Mike Scurto. Bob Julian, Jim Thames, Charlie Allen, Buck Green, Mike Poole, Norman Smith and Roger Jones finished strong in the conference meet and provided the needed points for a remarkable season.

## TORNADOES WIN 100TH CONFERENCE GAME

Initiating the new season with a stunning 118-57 victory over Montreat-Anderson College, the Brevard Tornadoes seemed to lose ground as the season progressed. With five lettermen and several promising freshmen, the Tornadoes continually came close, but fell to a one or two point deficit in several games.

Carrying a major portion of the load were sophomores 6' 3" Arnold Nicholson, 6' 2" Calvin Saunders, 6' 2" Danny Denton, the only returning guard, 6' 4" Mike Bumgardner, and 6' 7" Paul Hendrix. Starting at forward in many games was 6' 2" Freshman Ronnie Vance, an outstanding prepster from Raleigh. Toward the latter part of the season, 5' 10" Gary Cross began blooming. 5' 10" Mike Zeugner was the sparkplug of the team as he performed energetically all season. 6' 4" Dale Faulk and 6' 0" Bob Clayton were much in reserve, but showed good potential 5' 10" Jim Grove, all-Conference prepster from Brevard High, also illustrated promise. However, the season did have its bright moments. February 8 brought Coach Chick Martin his well-deserved 100th conference victory. Arnold Nicholson was named All-WCJC-CONFERENCE.

The ball and Danny Denton are often attached.

## BREVARD ROADRUNNERS VIE FOR NATIONAL CHAMPIONSHIP

The 1967 track season witnessed an outstanding display of power and strength on the part of the BC thinclads. Led by Tommy Hodge, Roger Jones, Tom Jordan and Drew Baron, the Roadrunners sped to a 6th place finish at the Florida Relays, captured the News-Piedmont Relays, and swept to a one-sided conference victory, setting nine records. During the regular season, defeat was suffered only at the hands of the Baptist College of Charleston. Hodge, Jordan and Baron carried the Brevard name to the national meet in mid-May. Roger Jones led the season with 122 points.

With an eye toward the national championship, the 1968 Roadrunners appeared even bigger and better in early season. Boosted by outstanding freshmen Gray, Morton, Scurto, Thames, Thompson, Ward, Waddill, Kirkendall, Holder, Vance and Poole, the conference meet was destined to be B.C.'s again, with the national championship around the corner. "Paying the price" held the answer.

**Baron continues to break shot put records.**

**Coach Talley demanded that the "price be paid."**

## FROSH ADD DEPTH TO TENNIS TEAM

Led by sophomores Larry Smith, Herb Regberg, and Jim Case, the 1967 BC tennis team proved to be a court power, placing second in the WCJC Conference and completing an 8-2 record.

However, Miss Neal was met in early practice by a more powerful, stronger team. Returning lettermen Bill Means, Steve Huggins, Richard Marvin, Greg Nelson and Pete Skarinka were joined by Tommy Andrews, Jerry Sexton, and sensation Steve Williams. With early practice, the team looked much improved and headed on a possible conference championship course.

With the valuable assistance of Mr. Lawing, Coach Murray, and Mr. Williams, the '67 golf team displayed an excellent record. Due to added interest in the sport, the team this year boasted nine strong golfers. Playing on the new Glen Cannon course near Brevard, the team appeared very much improved over last year and on the road to another successful season.

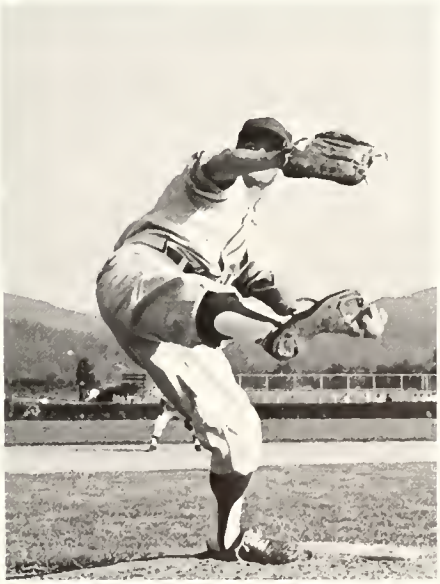
## FANS WITNESS IMPROVED BASEBALL SQUAD

1967 was a "rebuilding" year for the Brevard baseball squad. It was a disappointing season, but did not lack player enthusiasm. Gerald Enter and Johnny Gossett led the team in the best batting average and the most hits respectively. Gossett also led in the most doubles and stolen bases. Danny Denton, a freshman, was selected all-conference. The 1968 season, with the addition of several outstanding freshman, including pitchers Jim Dollyhigh, Vic Sutherland, Steve Whitaker and Frank Jewell was much improved as the team tackled a rougher schedule, and Coach Danny Bost continued to improve his diamond squad.

Sutherland scampers down the line.



Dollyhigh prepares to unwind his curve.

## W.A.A. ASSUMES VITAL ROLE IN ATHLETICS

The Women's Athletic Association sponsors women's participation in athletics from badminton and field hockey to football and basketball. Mr. Tauscher advises the group and coaches them in basketball. For the second year, the team played other colleges and compiled a good record. During the varsity basketball season, WAA plays a vital role as concession stand operators.

## GREEN BASEMENT— GIANTS IN INTRAMURALS

Extending over both semesters, the Men's Intramural program includes various phases of sports from football, cross country and table tennis to basketball, badminton, swimming, softball and track. Team members came from various floors of the dorms. Under the direction of Mr. Tauscher, the intramural season was exciting and provided a needed break from the monotony of study. Exhibiting a tremendous display of power and strength was Green Basement, which captured almost every intramural sports title.

"Hey, man, this is supposed to be fun!"

Chief Jackie Griffith leads a cheer.

Helen Lewis gives it a "go, go, getum, gettum."

Patti Page defies gravity.

Giving the squad a big boost was freshman Linda Smith.

"Twinkle-toes" Sue urges a cheer.

Cathy Wayant is "up in the air" about the Tornadoes.

## CHEERLEADERS INSTILL BC SPIRIT

No institution would survive without cheerleaders; Brevard had the very best! With the tremendous effort displayed by adviser Mrs. Daye, the cheerleaders, under Chief Jackie Griffith were always there to help celebrate victory and take defeat humbly. Bonfires, pep rallies, the staggering boos from visiting fans, the deafening roar of BC supporters, a cafeteria plastered with posters—BC cheerleaders were there!

## EPILOGUE

As the last page is completed, and the PERTELOTE goes to press, we utter a sigh of relief and disbelief that our goal has finally been accomplished. Once again, after all the pre-deadline frenzies and post-deadline blues, we can begin acting like human beings.

Yet more than this, it is a time for a final word of appreciation to all those who have helped to make this edition of the yearbook possible. First, I wish to express my sincerest gratitude to Mrs. Roy, who has given so much of her time to this tremendous task. Thank yous indeed are extended to a great staff, whose joint efforts have made the publication of this book a reality. Finally, a word of appreciation to you, the student body of Brevard College, who have provided us with the material necessary for the composition of the PERTELOTE.

The year has indeed been a memorable one, in some way, to each individual. It has been a year filled with the joys, frustrations and accomplishments that make a year of college life an unforgettable experience. While we worked with the hope of making this edition of the PERTELOTE the best ever, the book was ours to criticize and refine. It is no longer ours — it is now yours. It is our sincerest hope that the memories preserved in this publication remain with you as a reminder of your experiences at Brevard College. Perhaps it will in some way make possible a realization of how your perspective on life has been broadened by this year.

Debbie Cortner, Editor
